COURSE OVERVIEW

Note: The nature of this course incorporates both offensive and defensive movements, and these actions are accepted as part of the class. Even though this course is listed as an intermediate course, there will still be introductory elements with emphasis placed on executing proper skills and movements, but there will be more contact. Excessive force, violence, or aggression, however, are not required or expected and will not be tolerated.

1. Students with injuries or pre-existing conditions that may affect performance must inform the instructor.
2. All communication will be through GMU e-mail.
3. Students will NOT wear shoes, tank tops, dresses, jeans or “cut offs” of any kind. All jewelry MUST be removed before class and stored properly.
4. Consistent attendance is necessary to develop minimum acceptable performance. Points will be taken off for each unexcused absence.

NATURE OF COURSE DELIVERY

Face to Face

REQUIRED READINGS: Handouts as needed

EVALUATION

Attendance and Participation –75 points possible depending on the calendar. 5 points will be given each day with a deduction of 1 point for each five minutes that a student is late. Students must attend the entire class period and participate in the daily activities to receive full credit for the class. If you attend each class session, are on time and participate as scheduled, you’ll receive the full 5 points for that day. Unexcused absences, late arrivals, and lackadaisical performance could significantly affect the grade.

Midterm Exam 10 points– Written 5 points and practical 5 points

Final Exam 15 points– Written 5 points and practical 10 points.

Mid-term and Final Exam

Mid term will likely be given as “take home” exams. They will be handed out from the instructor, or e-mailed as attachments. The Mid-Term will be handed in on a date to be determined, which will be at the approximate middle point of the semester. Students will have several days to obtain and take the exam. The Final Exam will be administered as a demonstration last scheduled day of class. Students are required to personally attend or make other arrangements with the instructor to take the test. On the consideration that these exams would be given in-class on a specific class day, they will only be accepted on the date specified. No early hand-ins, mailings, or proxy hand-ins will be allowed. Since outside class assignments are allowed, and are based per hour on the number of credits / weekly class meetings, the taking of this test outside of class requires no more time than would be allotted for outside work. It also avails the students more class time dedicated to learning Brazilian Jiu-Jitsu. In the case of the final, it also allows for individual skills evaluation and grading in-class.

Grading Scale

A = 94 – 100	B+ = 88 – 89	C+ = 78 – 79	D = 60 – 69
