COURSE DESCRIPTION:

A practical self-defense course instructing students in Brazilian Jiu-Jitsu techniques designed for students who have no prior experience in martial arts or Brazilian Jiu-Jitsu. Brazilian Jiu-Jitsu's primary goal is to give advantage to those who use correct form, posture, and technique over strength.

COURSE OBJECTIVES:

At the conclusion of the course students should be able to:

1. Discuss the history, theory and rules of Brazilian Jiu-Jitsu.
2. Explain the difference between Brazilian Jiu-Jitsu and other martial art forms.
3. Demonstrate the following ground techniques:
 - a. Basic ground positions
 - b. Escapes from mount
 - c. Basic sweeps
 - d. Attacks from the guard

CLASS OVERVIEW:

Note: The nature of this course incorporates both offensive and defensive movements, and these actions are accepted as part of the class. However, this is an introductory course with the emphasis placed on executing proper skills and movements and not the contact itself. Excessive force, violence, competitive zeal or aggression are not required or expected and will **NOT BE TOLERATED**.

1. Students with injuries or pre-existing conditions that may affect performance must inform the instructor.
2. All communication will be through GMU e-mail.
3. Students will **NOT** wear shoes, tank tops, dresses, jeans or “cut offs” of any kind. All jewelry **MUST** be removed before class and stored properly.
4. Consistent attendance is necessary to develop minimum acceptable performance. Points will be taken off for each unexcused absence.

NATURE OF COURSE DELIVERY: Face to Face

REQUIRED READINGS: Handouts to be given as needed

EVALUATION: Attendance and Participation – **Sixty (60) points** possible depending on the calendar. **Five (5) points** will be given each day with a deduction of **one (1) point** for each **five (5) minutes** that a student is late. Students must attend the entire class period and participate in the daily activities to receive full credit for the class. If you attend each class session, are on time and participate as scheduled, you’ll receive the full 5 points for that day. Unexcused absences, late arrivals, and lackadaisical performance could significantly affect the grade.

Mid-term Exam – Fifteen (15) points - Five (5) points Written and Five (5) points Practical.

Final Exam – Fifteen (15) points - Five (5) points Written and Ten (10) points Practical.

MID-TERM AND FINAL EXAM:

Mid-term will likely be given as “take home” exams. They will be handed out from the instructor, or e-mailed as attachments. The Mid-Term will be handed in on a date to be determined, which will be at the approximate middle point of the semester. Students will have several days to obtain and take the exam. The Final Exam will be administered as a demonstration last scheduled day of class. Students are required to personally attend or make other arrangements with the instructor to take the test. On the consideration that these exams would be given in-class on a specific class day, they will only be accepted on the date specified. No early hand-ins, mailings, or proxy hand-ins will be allowed. Since outside class assignments are allowed, and are based per hour on the number of credits / weekly class meetings, the taking of this test outside of class requires no more time than would be allotted for outside work. It also avails the students more class time dedicated to learning Brazilian Jiu-Jitsu. In the case of the final, it also allows for individual skills evaluation and grading in-class.

GRADING SCALE:
